How Often He Bounded Through Those Doors.

Our "Charley"

A Man of Many Faces — Always a Friend and a Man of Action

Charles "Charley" Selby is completing his eighth year as trustee of Salem Township and quite frankly it won't seem right not to see one of these familiar faces bounding through those doors.

Few realize the endless tasks that befront a trustee and the innumerable hours of bookkeeping required to keep a school system functioning properly. We know, and we think we have been most fortunate to have had a man to do the job so well, but to be able to always perform with a smile--well, that's something else again, --but that's "Our Charley"!

We Could Depend on Your Being There . . .

Rexall Teen Forum Winner

Nycha's Trip To Washington

Nycha Schlegel was the first place winner in Indiana in the Rexall Teen Forum Contest. Her well written, thoughtful essay which earned her a week's stay in Washington was also published in the September 13, 1965, issue of the Congressional Record.

Exchange Students

ALICIA UMANSKI

A very spontaneous, happy smile breaks out on the face of our South American friend, Alicia, whenever you meet or talk to her. At sixteen, she is very interested in art and she studies ceramics, which she also teaches in her home. Alice says that one of the things which she misses is going to the theatre. She likes movies, stage shows, and concerts. Her clothing and dress is similar to ours, yet she says they dress more conservatively. Colors are not as loud or viberant as ours.

Her future plans are to go to the University to study philosophy.

Before arriving in Daleville she toured the eastern part of the United States for a month visiting all of the major places of interest. Of all the sites, she said that Washington was her favorite because it was so clean and did not have any light or telephone wires.

On her visit here, Alice commented, "I enjoy the stay here with my family."

JORGE JAY BLANC

"I am very happy here and not anxious to leave. I have a wonderful family here. Everything has been O. K.," said Jay. Studious, serious, eager to learn, observant, and gracious are the characteristics of this young man of nineteen. Jay likes golf, tennis, and swimming. He likes our basketball and thinks it is very exciting, although he would not like to participate. Basketball is played in Argentina, but they do not have cheer leaders and pep clubs.

His interest in art has led him to choose an architectural career. He intends to study at the National University in Buenos Aires and wants to specialize in home design because he feels this is a need of his country.

Jay is quite impressed with our community spirit. This spirit of people working together was unfamiliar to him, but he thought it was wonderful.

PENNY GARDNER

"I had dreamed many times of being able to make a trip to a Spanish speaking country and then one day my dream started to become real. During summer vacation I was a foreign exchange student with the newly formed organization called Inter-American Cultural Exchange.

"My family's name was Botte. My father, Migull Botte, a busy surgeon, Ida Botte, my mother, was a wonderful cook and as sweet as could be. I had a sister, Elina, who was twenty and had been in this same exchange program two years ago. She is now teaching English. I had always wanted a brother and for nine weeks I had one by the name of Edwardo. He was sixteen and in his junior year so I attended school with him.

"I only wish that everyone could participate in an experience like mine."

Daleville's Basketball Homecoming comes to a climactic point with the crowning of the Homecoming Queen. The 1965 candidates were anxiously awaiting the crowning of the new queen when Miss Tammy Thornburg 1964's Queen stepped from her throne.. A hush fell over the gymnasium as the thrilling moment approached.

In an instant our new Queen, Miss Frankie Bedwell, reigned.

This year was Coach Duane Osborn's ninth year as a teacher and coach at Daleville. With his conviction, "When the going gets tough, the tough get going", Coach Osborn has brought our team through another undefeated season.

The annual Daleville relays were on a cold, rainy day, but in spite of these adverse conditions, our team won the meet. The lovely queen was Mary Jean Dragoo.

A FINAL NOTE OF THANKS FROM YOUR FACULTY ADVISOR--to Debby Shirey, Gary Spangler, and Phyllis Michael who came back after school was out to work tirelessly so that we could meet our final and most important deadline--who, in fact, virtually put this fine yearbook together.
